

MOBILE APP DEVELOPMENT PROPOSAL

Prepared For

INTRODUCTION

COVER LETTER

Dear {clientName},

Thank you for your time on checking our Mobile App Development Proposal. We are ABC Software Company and we create first-rate and superior software on a computer, mobile, and web. We produce high-quality software that is affordable and flexible.

Having a good mobile app will increase your sales and subscriptions. This means that your app should be stable, user-friendly, and fast.

In this proposal, you'll see information about ABC Software Company, our services, pricing, terms, and conditions.

We look forward to talking with you.

Sincerely,
John Smith
Project Director
ABC Software Company

DEVELOPMENT PROCESS

We normally need 16-20 weeks to finish the mobile app completely. We send feedback to our client for every successful step we make. We assure our clients that we kept them updated with the project.

MOBILE APP DEVELOPMENT PROCESS

1. Meeting and formally offering the proposal.
2. Acknowledgment and signing of contracts.
3. Research and data analysis.
4. Creating the first mockup and approval.
5. Proceed with building the app using wireframes.
6. Create the front-end technology of the app.
7. Improve visual UI design.
8. Produce the backend technology of the app.
9. Perform UX (User Experience) QA Testing.
10. Perform further testing with the client.
11. Launch the app in the App Store and Play Store.
